4th ILPN Conference Programme

Monday, 5th September, 2016

08:00 - 09:00  Coffee/Tea
08:00 - 15:00  Registration

09:00 - 09:45  PLENARY SESSION

Title: Long-term care in low and middle-income countries
Presenter: Professor Anne Margriet Pot, World Health Organisation

10:00 - 11:30  Parallel sessions

Session code: UCAR1
Session title: Unpaid carers

Title: Comprehensive support for family caregivers of post-11 Veterans in the United States: Impact on Veteran health care utilization and costs
Presenter: Courtney Van Houtven
Institution: Duke University and Department of Veterans Affairs, US

Title: Three Models for Compensating Family Caregivers
Presenter: Richard Kaplan
Institution: University of Illinois College of Law, US

Title: Costing the Impact of Informal Care on the 50+ in the UK: A Standard of Living Latent Variable Approach
Presenter: Elizabeth Lemmon
Institution: University of Stirling, UK

Title: Family Spillovers of Long-term Care Insurance
Presenter: Norma Coe
Institution: University of Washington, US
Session code: WF1
Session title: Workforce

Title: Shortages of Care Workers and their Training and Retaining in Japan
Presenter: Tsuneo Inoue
Institution: Doshisha University, Japan

Title: Managers’ experiences of employing migrant care workers
Presenter: Jill Manthorpe
Institution: King’s College London, UK

Title: The impact of workforce composition and characteristics on English care home quality
Presenter: Stephen Allan
Institution: University of Kent, UK

Title: Carers with migrant background and the professional care infrastructure in Germany: Patterns of integration and the interaction of policy fields
Presenter: Hildegard Theobald
Institution: University of Vechta, Germany

Session code: SAFE
Session title: Organised session - Models of safeguarding adults in English Local Authorities
Organiser: Martin Stevens
Institution: King’s College London, UK

Session code: AMVIEW
Session title: Organised session - The Views of Americans on Social Care: Results from the 2014 Survey of Long-Term Care Awareness and Planning
Organiser: Joshua Wiener
Institution: RTI International, US

Session code: CAREINT1
Session title: Care integration and coordination

Title: The impact of long-term care on primary care doctor consultations for people over 75
Presenter: Katerina Gousia
Institution: PSSRU, University of Kent, UK

Title: Do Hospital-Owned Skilled Nursing Facilities Provide Better Post-Acute Care Quality?
Presenter: Edward Norton
Institution: University of Michigan, US
Title: Can social care reduce the risk of emergency readmissions of elderly people? Evidence from the linked health and social care data in Scotland  
Presenter: Feifei Bu  
Institution: University of Stirling, UK

11:30 - 11:45  Coffee break

11:45 - 13:15  Parallel sessions

**Session code:** UCAR2  
**Session title:** Unpaid carers

Title: Intellectual Disability, Caring and Role Reversal  
Presenter: Zoe Hughes  
Institution: Care Alliance Ireland, Ireland

Title: The relationship between informal and formal care in Denmark and consequences of government policies of curbing formal care  
Presenter: Myra Lewinter  
Institution: Department of Sociology, University of Copenhagen, Denmark

Title: The discovery of working carers - a new policy challenge in Sweden  
Presenter: Lennarth Johansson  
Institution: Stockholm Gerontology Research Centre and Aging Research Centre/Karolinska Institute, Sweden

Title: An estimation of the value and the hidden social burden of informal care in Spain  
Presenter: Luz Maria Peña - Longobardo  
Institution: University of Castilla-La Mancha, Spain

**Session code:** WF2  
**Session title:** Workforce

Title: Social work effectiveness and burnout: do we need to do more to see if there are links?  
Presenter: Moriarty Jo  
Institution: King’s College London, UK
Title: What makes men work in the long term care sector?
Presenter: Shereen Hussein
Institution: King’s College London, UK

Title: Insights into the Relationships among Health Support Workers’ Work Environments, Work Attitudes & Work Outcomes
Presenter: Whitney BERTA
Institution: University of Toronto, Canada

Title: Worker retention in long-term care
Presenter: Ulrike Schneider
Institution: Vienna University of Economics and Business, Austria

**Session code: OUT1**
**Session title: Outcomes and quality**

Title: The impact of long-term care on the quality of life of service users and their carers
Presenter: Florin Vadean
Institution: PSSRU, University of Kent, UK

Title: How do people make decisions about ‘best’ and ‘worst’ quality of life states? A qualitative exploration of best-worst scaling responses to the ASCOT measure of care-related quality of life
Presenter: Laurie Batchelder
Institution: PSSRU, University of Kent, UK

Title: Quality of life from the perspective of older adults living at home, and the role of services’
Presenter: Miriam van Loon
Institution: VU University Medical Center, Netherlands

**Session code: MARK**
**Session title: Organised session - Marketization: The Growth and Impact of Large For-Profit Nursing Home Chains**
Organiser: Charlene Charington
Institution: University of California San Francisco, US
Session code: CAREINT2
Session title: Care integration and coordination

Title: Bridging the Continuum: Skilled Nursing Facility and Home Health Agency Links to Medicare ACOs
Presenter: Christine Bishop
Institution: Brandeis University, US

Title: Building a tool to support the planning of Long-Term Care networks under complexity: Dealing with multiple objectives, uncertainty and policy strategies
Presenter: Teresa Cardoso-Grilo
Institution: Centre for Management Studies of Instituto Superior Técnico (CEG-IST), Portugal

Title: Competing policies? Experiences from the implementation of an integrated health and social care organization for older people in Sweden
Presenter: Par Schon
Institution: Stockholm Gerontology Research Centre and Aging Research Centre/Karolinska Institute, Sweden

13:15 - 14:00 Lunch

14:00 - 14:45 PLENARY SESSION

Title: Social and demographic change and long-term care demand
Presenter: Professor Emily Grundy, London School of Economics and Political Science, UK

14:50 - 16:20 Parallel sessions

Session code: UCAR3
Session title: Unpaid carers

Title: Comparing the Burdens of Two Groups of Japanese Family Caregivers of the Elderly: Biological Daughters vs Daughters-in-Law
Presenter: Seiritsu Ogura
Institution: Hosei University, Japan

Title: Effects of Health Checkup Attendance on Caregivers’ Physical Health
Presenter: Narimasa KUMAGAI
Institution: Kindai University (Kinki Univ.), Japan
Title: Scoping carer research  
Presenter: Mary Larkin  
Institution: Open University, UK

Session code: WF3  
Session title: Workforce

Title: The working experience of care workers in the long-term care insurance in Korea  
Presenter: Yongho Chon  
Institution: Incheon National University, South Korea

Title: Checking care workers: international evidence  
Presenter: Valerie Lipman  
Institution: King's College London, UK

Title: The elderly care and domestic services sector during the recent economic crisis. The case of Italy, Spain and France.  
Presenter: Sara Picchi  
Institution: Sapienza University of Roma, Italy

Title: The future of long term care policies in Europe. Care labour market and the sources of funding  
Presenter: Andrea Ciarini  
Institution: Sapienza University of Rome, Italy

Session code: OUT2  
Session title: Outcomes and quality

Title: How do care professionals define ‘good’ quality long-term care? Lessons from an Austrian explorative study.  
Presenter: Katharine Schulmann  
Institution: European Centre for Social Welfare Policy and Research, Austria

Title: Social care related quality of life at home and in Institutional setting: the case of Denmark  
Presenter: Tine Rostgaard  
Institution: KORA, Denmark

Title: Quality improvement over and above minimum standards: a study of providers of residential care for older people in England and Australia  
Presenter: Lisa Trigg  
Institution: PSSRU, London School of Economics and Political Science, UK
Session code: BRIDGE
Session title: Organised session - Bridging aging and disability sectors to improve community-living outcomes for persons aging with and aging into disability
Organiser: Michelle Putnam
Institution: Simmons College, School of Social Work, Boston, US

Session code: CAREINT3
Session title: Care integration and coordination

Title: Improving end-of-life care in the community using the RESPECT on-line prognostication tool
Presenter: Amy Hsu
Institution: Ottawa Hospital Research Institute, Canada

Title: Ageing and disability: the role of financial and regulatory incentives in facilitating intersectoral collaboration
Presenter: David McDaid
Institution: PSSRU, London School of Economics and Political Science, UK

16:20 - 16:30 Coffee break

16:30 - 17:45 Parallel sessions

Session code: UCAR4
Session title: Unpaid carers

Title: Partner care: On the way to gender equality in Spain and Sweden
Presenter: Gerdt Sundstrom
Institution: Institute of Gerontology, School of Health and Welfare, Jönköping, Sweden

Title: Expected longevity and productive ageing involvement among older Chinese in Hong Kong
Presenter: Terry Lum
Institution: University of Hong Kong, Hong Kong

Title: Socioeconomic status and engagement in work, volunteering, and caregiving activities among Chinese older adults in Hong Kong
Presenter: Jennifer Tang
Institution: University of Hong Kong, Hong Kong
Session code: WF4
Session title: Workforce

Title: The Ideal Working Situation for Residential Social Workers at Intensive Care Homes
Presenter: Masakazu Shirasawa
Institution: Graduate School of Gerontology, J. F. Oberlin University, Japan

Title: Determinants of job satisfaction of nursing home personnel in Tuscany, Italy
Presenter: Antonella Rosa
Institution: Scuola Superiore Sant'Anna di Pisa, Italy

Title: Vocation Condition Empirical Analysis on Nursing Assistant of Migrant Workers from Longkou City Shandong Province
Presenter: Dandan Wang
Institution: Shandong Nanshan University and Zhejiang University, China

Session code: OUT3
Session title: Outcomes and quality

Title: Speaking out for change - a personal story about life in a long term care facility in Alberta, Canada
Presenter: Linda McFarlane
Institution: Member of Alberta College of Social Workers, Canada

Title: Promoting participation of people with intellectual and developmental disabilities in social care research: Developing an Easy Read version of ASCOT
Presenter: James Caiels
Institution: University of Kent, UK

18:00-19:00 Unpaid care interest group meeting
Tuesday, 6th September, 2016

08:00 - 15:00  Registration

09:00 - 09:45  PLENARY SESSION

Title: The economics of integration: What do we know?
Presenter details: Professor Tamara Konetzka, The University of Chicago, US

10:00 - 11:30  Parallel sessions

Session code: ECON1
Session title: Economics of long-term care

Title: Pay less, consume more? Estimating the price elasticity of demand for home care services of the disabled elderly
Presenter: Marianne Tenand
Institution: Centre d'Economie de la Sorbonne, France

Title: Evaluating purchaser performance in promoting quality through budget reallocations
Presenter: Niek Stadhouders
Institution: Radboudumc, Netherlands

Title: Are Recessions Good for Staffing in Hospitals and Nursing Homes?
Presenter: Rachel Werner
Institution: University of Pennsylvania, US

Session code: TECH
Session title: Technology and long-term care

Title: Barriers to wider use of technology in dementia care and support
Presenter: Martin Knapp
Institution: PSSRU, London School of Economics and Political Science, UK

Title: Technology tools to support people with dementia and family carers
Presenter: Klara Lorenz
Institution: PSSRU, London School of Economics and Political Science, UK
Title: Variations in care costs of people with social care needs: the impact of telecare
Presenter: Catherine Henderson
Institution: PSSRU, London School of Economics and Political Science, UK

Session code: IP1
Session title: Institutional dynamics and politics

Title: Choosing the Best and Scrambling for the Rest: Responses to Greater Network Integration in Post-Acute Care Following the Affordable Care Act in the United States
Presenter: Renee Shield
Institution: Brown University, US

Title: Long term care policy above the fray? The case of German long term care expansion in the face of austerity
Presenter: Lorraine Frisina-Doetter
Institution: University of Bremen, Germany

Title: Ageing, lowest low fertility and the Lisbon paradox. The flourishing pay-care practice for the elderly as a shortcut in an oldest-old & and lowest-low fertility Southern Europe
Presenter: Patrizia Farina
Institution: University of Milan - Bicocca, Italy

Session code: COMP1
Session title: International comparative analysis

Title: Long Term Care system in comparative perspective: private care resources and family involvement in care
Presenter: Matteo Luppi
Institution: Collegio Carlo Alberto, Italy

Title: Eligibility and affordability of LTC services - A global view
Presenter: Markus Kraus
Institution: Institute for Advanced Studies, Austria

Title: Comparing Japanese and Swedish future LTC cost development 2010 - 2040
Presenter: Marten Lagergren
Institution: Stockholm Gerontology Research Center, Sweden

Title: The other way around? New perspectives on LTC policies in old age care in Sweden and Spain
Presenter: María Ángeles Tortosa
Institution: University of Valencia, Spain
Session code: DEM1
Session title: Dementia and care

Title: Modelling dementia care pathways in low, middle and high income countries
Presenter: Adelina Comas-Herrera
Institution: PSSRU, London School of Economics and Political Science, UK

Title: Health care transitions among people with dementia at the end of life
Presenter: Amy Hsu
Institution: Ottawa Hospital Research Institute,

Title: Policy choices in dementia care - an exploratory analysis of the Alberta Continuing Care System (ACCS) using system dynamics
Presenter: Monica Cepoiu-Martin
Institution: University of Calgary, Canada

Title: The care profiles during the last years of life - the impact of dementia and age in 1998 and 2013
Presenter: Mari Aaltonen
Institution: University of Tampere, Finland

11:30 - 11:45  Coffee break

11:45 - 13:15  Parallel sessions

Session code: ECON2
Session title: Economics of long-term care

Title: The Unintended Consequences of Reduced Post-Acute Care Lengths of Stay
Presenter: Emily Gadbois
Institution: Brown University, US

Title: A Capabilities Approach to Standard of Living and Disability Costs in Older People in the UK
Presenter: Elaine Douglas
Institution: University of Stirling, UK
Title: Use of Long-term Care is Increasingly Concentrated in the Last Years of Life - A Comparison of Old Decedents and Survivors from 2000 to 2011
Presenter: Leena Forma
Institution: University of Tampere, Finland

Title: The Effect of Frailty and Cognitive Impairment Levels on Formal and Informal Care Time for Older Adults in the Community
Presenter: Gloria Wong
Institution: University of Hong Kong, Hong Kong

Session code: CM
Session title: Case management

Title: Patients’ Experiences Transitioning to Post-Acute Care in Skilled Nursing Facilities
Presenter: Emily Gadbois
Institution: Brown University, US

Title: Case management as Social Innovation in Long-Term Care: Lessons from Italy
Presenter: Georgia Casanova
Institution: INRCA - National Institute of Health & Science on Ageing, Italy

Title: An Analytic Approach to Service Needs Assessment in Elderly Care
Presenter: Merja Tepponen
Institution: South Karelia District of Social and Health Care (Eksote), Finland

Session code: IP2
Session title: Institutional dynamics and politics

Title: When frontline workers exercise their discretion: Evidence from Care-Needs Certification for Long-Term Care Insurance in Japan.
Presenter: Reiko ARAMI
Institution: Massachusetts Institute of Technology, US

Title: The end of familialism? Public policy, family organisation and the growth of the home care market in Italy
Presenter: Costanzo Ranci
Institution: Polytechnic of Milan, Italy

Title: The Marketization of Long-Term Care Policies - Explaining Differences in the Reform Pathways in Conservative Welfare States
Presenter: Thurid Eggers
Institution: University of Hamburg, Germany
Session code: COMP2
Session title: International comparative analysis

Title: Adopting Catastrophic Public Insurance for LTSS: Will the United States Follow Australia and England?
Presenter: Pamela Nadash
Institution: University of Massachusetts Boston, US

Title: Policies of user participation: the case of older people and social care in Norway and England
Presenter: Karen Christensen
Institution: Universitity of Bergen, Norway

Title: Long-term Care Policies and Social Sustainability
Presenter: August Oesterle
Institution: WU Vienna University of Economics and Business, Austria

Session code: DEM2
Session title: Dementia and care

Title: How men experience the provision of dementia care
Presenter: Klara Lorenz
Institution: PSSRU, London School of Economics and Political Science, UK

Title: The MODEM Project (A comprehensive approach to MODelling outcome and costs impacts of interventions for DEMentia)
Presenter: Adelina Comas-Herrera
Institution: PSSRU, London School of Economics and Political Science, UK

Title: Key issues and challenges in Long-Term Care Organization and Financing in differently resourced countries: from service coverage to sustainability
Presenter: Adelina Comas-Herrera
Institution: PSSRU, London School of Economics and Political Science, UK

Title: Systematic mapping of the evidence on what works on dementia: who researches what?
Presenter: Dave McDaid
Institution: PSSRU, London School of Economics and Political Science, UK
13:15 - 14:00  Lunch

14:00 - 14:45  PLENARY SESSION

Title: Attracting and retaining workforce in the long-term care sector
Presenter: Matthias von Schwanenflugel, Federal Ministry for Family Affairs, Senior Citizens, Women and Youth, Germany

14:50 - 16:20  Parallel sessions

Session code: ECON3
Session title: Economics of long-term care

Title: Quantum of Public Home Care Provision in Ireland - Correlation with Economic Growth
Presenter: Liam O’Sullivan
Institution: Care Alliance Ireland, Ireland

Title: Individual saving behaviour and the welfare consequences of alternative means-testing policies
Presenter: PEI SUN
Institution: University of Exeter, UK

Title: A simulation tool for decision making in Long Term-Care in Healthcare Systems
Presenter: Francisco Ródenas
Institution: University of Valencia - Polibienestar Research Institute, Spain

Session code: CAREMOD1
Session title: Care models

Title: Cost-benefit analysis of functional adaptation at home for reducing assistance needs and preventing falls: the case of Barcelona
Presenter: Estefania Alaminos
Institution: Riskcenter-Universitat de Barcelona, Spain

Title: Community Wards: An evaluation of the virtual ward services
Presenter: Christine McGregor
Institution: Scottish Government, UK

Title: Housing and services in older age
Abstract
Presenter: Minna Kaarakainen
Institution: University of Helsinki, Finland

Title: Technology skills for the long term care sector: developing a research agenda
Presenter: Bernard Casey
Institution: PSSRU, London School of Economics and Political Science, UK

**Session code: IP3**
**Session title: Institutional dynamics and politics**

Title: Dynamics of social innovation and long-term care for elderly people: evidence based on case studies from Wallonia and Brussels
Presenter: Ela Callorda Fossati
Institution: CIRTES UCL, Belgium

Title: Reablement and shared goals of self-reliance among users and care workers
Presenter: Tine Rostgaard
Institution: KORA, Denmark

Title: Long-Term Care in Quebec: So Many Issues to Consider
Presenter: Melanie Bourassa Forcier
Institution: University of Sherbrooke, Canada

**Session code: COMP3**
**Session title: International comparative analysis**

Title: Long-term care needs among Elderly People in Argentina: Comparative analysis with Spain
Presenter: Malena Monteverde
Institution: CONICET & CRES-UPF, Argentina

Title: Benchmarking the Care gap and the Care Mix in Europe: Exploring the SHARE data
Presenter: Platon Tinios
Institution: Piraeus University, Greece

Title: Ageing and Elderly Care in the Arab Region: Policy Challenges and Opportunities
Presenter: Shereen Hussein
Institution: King’s College London, UK

**Session code: ASCOT**
Session title: Organised session - Developments in ASCOT: reflecting the impact of long term care internationally
Organiser: Anne Netten
Institution: University of Kent, UK

16:20 - 16:30  Coffee break

16:30 - 17:45  Parallel sessions

Session code: PERSO
Session title: Personalisation

Title: Direct Payments in Residential Care
Presenter: Daniel Lombard
Institution: PSSRU, London School of Economics and Political Science, UK

Title: Direct Payments Support in England: an intermediate output in ensuring better outcomes but the hidden face of direct payments unpaid carers tell us?
Presenter: Vanessa Davey
Institution: PSSRU, London School of Economics and Political Science, UK

Title: Person-Directed Care Planning in Long Term Care: A Comparative Perspective on Policy Trends and Policy- Relevant Implementation Factors
Presenter: Michael Lepore
Institution: RTI International, US

Title: Person-centredness in long-term care services for older adults: a systematic review of survey measures and measurement properties
Presenter: Mark Wilberforce
Institution: University of Manchester, UK

Session code: CAREMOD2
Session title: Care models

Title: Sports and reminiscence: the rationale and evidence for its use to build social connections for older people
Presenter: Michael Clark
Institution: PSSRU, London School of Economics and Political Science, UK
Title: OPTIMISTIC: A Care Model for Addressing Hospitalization Risk of Long-Stay Nursing Facility Residents
Presenter: Greg Arling
Institution: Purdue University School of Nursing, US

Title: Stories of Disease and Treatment: Organizational Models for Continuity of Care
Presenter: Giovanna Ferretti
Institution: Studio APS, Italy

**Session code: IP4**
Session title: Institutional dynamics and politics

Title: Elderly care and the value of sharing economy. What can we learn and bring to the care sector from sharing economy initiatives
Presenter: Giovanni Fosti
Institution: CeRGAS, Bocconi University, Italy

Title: LTC reform trends between national and local policies: insights from Italy
Presenter: Giovanni Fosti
Institution: CeRGAS, Bocconi University, Italy

Title: Regional variability in long-term care services in Spain: needs, service use and diversification
Presenter: Maria Angeles Tortosa
Institution: Valencia University, Spain

**Session code: SINV**
Session title: Organised session - Social Investment and Long-term Care
Organiser: Bernard Casey
Institution: PSSRU, London School of Economics and Political Science, UK

18:00-19:00 Dementia interest group meeting

19:45 - 23:00 Conference dinner
Venue: The Royal College of Surgeons, 35-43 Lincoln's Inn Fields, London WC2A 3PE
Wednesday 7th of September 2016

10:00-11:30 Parallel sessions

**Session code: EQUI**
**Session title: Equity and efficiency**

Title: Being dependent rather than handicapped in France: does the Institutional barrier at age 60 affect care arrangements?
Presenter: Marianne Tenand
Institution: Paris School of Economics & Ecole normale supérieure, France

Title: Socio-economic status inequalities among the elderly, and its consequences over access to long-term care services
Presenter: Virginia Adriana Colás
Institution: Universidad de Zaragoza, Spain

Title: the economic consequences for households of copayments in long term care. Evidence from Spain after the 2012 reform
Presenter: Isabel Pardo-García
Institution: University of Castilla-La Mancha, Spain

Title: The Impact of Elderly Care Services In-Kind On Poverty Across Italian Regions And Evidence Of The Effects Of The Recent Economic Crisis The Recent Economic Crisis
Presenter: Sara Picchi
Institution: University of Rome Sapienza, Italy

**Session code: CHOI**
**Session title: Choice**

Title: Patient Choice of Post-Acute Care Provider & Hospital Accountability
Presenter: Emily Gadbois
Institution: Brown University, US

Title: Self-funders and long term care: selected findings from the SlgN project
Presenter: Kate Baxter
Institution: Social Policy Research Unit, University of York, UK
Title: The personalisation of community aged care in Australia - more choice or voice for older people?
Presenter: Carrie Hayter
Institution: University of Sydney, Australia

Session code: LMIC1
Session title: LTC in LMIC countries

Title: Home care for older people in urban China: impacts of the marketisation process
Presenter: Wenjing Zhang
Institution: Bristol University, UK

Title: Social care governance structures and the business model at early stages of integrated care design and development in a LMIC region to create cashable savings and RoI
Presenter: Stella I. Tsartsara
Institution: South East Europe Healthcare, Belgium

Title: Who cares for the unhealthy poor rural elderly? Rural and rural disparity in home- and community-based long-term care utilisation in China
Presenter: Wei Yang
Institution: University of Kent, UK

Session code: COMP4
Session title: International comparative analysis

Title: New evidence on the sustainability and inclusiveness of Long-Term Care systems in Europe
Presenter: Ludovico Carrino
Institution: Ca' Foscari University of Venice, Italy

Title: Providing nursing and residential care services in Europe: a greater role for the private sector?
Presenter: Daniel Molinuevo
Institution: European Foundation for the Improvement of Living and Working Conditions, Ireland

Title: Comparative approaches to evaluating the role of long term care in achieving gender equality
Presenter: Kirstein RUMMERY
Institution: University of Stirling, UK
11:30 - 11:45 Coffee break

11:45 - 13:15 Parallel sessions

Session code: FUND
Session title: Funding systems

Title: The future of social care funding - who pays?
Presenter: Ben Rickayzen
Institution: Cass Business School, City University London, UK

Title: New Entitlement Rules for Germany’s Long-term care insurance
Presenter: Heinz Rothgang
Institution: University of Bremen, Germany

Title: Where does the money go? Financialised chains and the crisis in residential care
Presenter: Anne Killett
Institution: University of East Anglia, UK

Title: The German Market for Private Long-Term Care Insurance: The Impact of Public Subsidies for Purchase
Presenter: Pamela Nadash
Institution: University of Massachusetts, Boston, US

Session code: EVAL
Session title: Long-term care evaluation

Title: Reflections on designing a mixed methods research study to evaluate Intensive Home Care Packages for people with dementia in the Republic of Ireland
Presenter: Maria Pierce
Institution: Genio, Ireland

Title: Can experiments build a bridge between science, policy and practice?
Presenter: Anja Noro
Institution: Ministry of Social Affairs and Health, Finland

Title: Limitations in the evidence base for long-term services and support and persons aging with long-term disability: Implications for U.S. programs and policies
Presenter: Michelle Putnam
Institution: School of Social Work, Simmons College, US
Title: Body Mass, Physical Activity and Future Care Use
Presenter: Olena Nizalova
Institution: University of Kent, UK

**Session code: LMIC2**
**Session title: LTC in LMIC countries**

Title: Policy on long term care for older people in sub-Saharan Africa: confronting a structural lag
Presenter: Isabella Aboderin
Institution: African Population and Health Research Center (APHRC), Kenya

Title: The Future of Long Term Care for Vulnerable Older Adults in South Africa
Presenter: Emily Freeman
Institution: PSSRU, London School of Economics and Political Science, UK

**Session code: HSCH**
**Session title: Organised session - Improving health services for UK care homes - Evidence, experience and education?**
Organiser: Barbara Hanratty
Institution: Newcastle University, UK

13:15-14:15 Lunch/Closing reception
